

## **To Poster Presenters at the Cardiff BSODR**

All posters should be displayed from 9.30am on Tuesday 15<sup>th</sup> September until lunchtime on Wednesday 16<sup>th</sup> September. Please make sure your poster is on its board before the plenary lecture on the morning of 15<sup>th</sup>.

The poster presentations have been divided into two sessions: 'Tuesday' and 'Wednesday'. This is evident in the title of your poster display session. You should stand by your poster during the poster display session between 10.30 and 11.30am on the relevant day.

It helps if you have a photograph of yourself on your poster so that people who want to talk about it know who you are. Some A4 sized copies of your poster are handy for anybody who might be interested in it.

The poster boards will be 2 metres high and 1 metre wide. If your poster does not fit within this space people may think that you cannot follow simple instructions.

The boards are hard with a fabric covering. You will need to attach your posters with self-adhesive Velcro. Please bring sufficient Velcro to put on the back of your poster to attach it to the board.
