- The presentation must cover the same material as the Abstract
- Posters will be attached by Velcro onto the display boards: we will provide the Velcro dots. However, please remember to make sure that you bring with you anything else you might need to display your poster e.g. pins
- You might wish to prepare handouts to distribute to the delegates. Please bring these with you, as we regret that we are unable to provide photocopying or printing facilities at the Conference
- Please produce your poster according to the guidelines and to correct size – you will then be sure that it will fit onto the display board provided.
